

## Flooding Picton – Network Update

Good morning all,

Please be advised that the mainline rail closed again last night 18:45 3/7/2022 at Picton NSW.

It is currently impacting VIC<>QLD mainline, and the NSW<>WA mainline.

There is currently no ETA on the track re-opening. We are currently awaiting formal advice from the rail service provider on estimated length of outage and subsequent service cancellations.

The rail services in the below table have been impacted.

| Origin    | Destination | Dep Date | Service | Impact                          |
|-----------|-------------|----------|---------|---------------------------------|
